North Greenbush Town Residents:

During the period between November 1st and May 1st of the following year, certain parking restriction are in place with regard to motor vehicles being left on Town roads. This is in Chapter 183 and Sections 175-18 of the North Greenbush Town Code.

1. Between 10:00pm and 7:00am every day, all town roadways must be kept clear of any motorized vehicles so that the highway department can safely and effectively clean the roadways when needed.
2. When weather conditions require the Superintendent of Highways to plow, sand or salt town roads, no person shall leave unattended parked vehicles on any Town highway in the Town of North Greenbush.

Section 1201.a of the New York State Vehicle & Traffic Law prohibits a motor vehicle that is left upon the paved or main-traveled part of the roadway anytime of the year.

During these instances, it is a priority of our department along with the Highway Department to ensure the safety of all vehicle operators, emergency services (police, fire & EMS), and pedestrians on Town roads.

Removal of any vehicles by the police department shall be done at the expense of the owner. Owners of vehicles that are in violation are also subject to being issued a parking ticket in accordance to the North Greenbush Town Code or a Uniform Traffic Ticket in accordance to the NYS Vehicle & Traffic Law.

Please make the effort to help us keep our roadways safe for everyone. Questions can be directed to the North Greenbush Police at 283-5323.

Sincerely,

A handwritten signature in black ink that reads "Chief D. Keevern".
